## LINES OF BUSINESS

### Turnkey Planning, Design, Procurement and Installation

Blue Skies Interiors saves the government significant time, money and energy by providing turnkey solutions for furniture, fixtures and equipment (FF&E) procurement. Similar to a general contractor, we offer a one-stop-shop for planning, design and installation of the products and services required for occupancy.

**NCARB Nationally Licensed Architect  
NCIDQ Certified Interior Designer**

Architectural Design, Interior Design and Technical Specification, Asset Management, Installation, Reconfiguration, Project Management, and Office Move Management.

### Furniture, Fixtures & Equipment (FF&E)

Blue Skies Interiors adds value to your organization by developing a comprehensive FF&E plan based around your organizations culture, long term objectives and user function.

**Systems Furniture, Seating, Tables, Private Offices, Reception, Lounge,  
Modular Walls, Control Room Furniture, Storage, and Ancillary items.**

### Commercial Flooring

Let us do your flooring application or renovation with our comprehensive flooring solutions. These solutions are complemented with an installation process that will be designed around your organizations operations.

**Carpet, static dissipative flooring, welded seam tiles, hardwood, stone, laminates,  
rubber, ceramic, and vinyl.**

### Facilities Renovation

Commercial interior renovation of an existing building with our experienced professional service team, proven subcontractors, and quality equipment. Blue Skies can execute a complete interior renovation plan including existing conditions & needs analysis, product selection, and production scheduling.

Renovation expertise includes HVAC, floor coverings, wall coverings, paint, window replacement, lighting, electrical, A/V, data network hubs/cablings, and office furniture.
